The Hiring Manager
Safebykrede,

Dear Hiring Manager,

I am writing to express my interest in the childcare position at your institution. I have a deep passion for working with children and helping them grow in a safe, nurturing, and engaging environment. With hands on experience as a daycare assistant and class teacher, I believe I can make a meaningful contribution to your team.

I studied Business Administration at the Federal School of Statistics, but my true calling has always been in childcare. I have worked at Grace Kiddies Academy as a daycare/class teacher and at Hand of God Nursery and Primary School as a class teacher. These roles have allowed me to care for, teach, and support children in their early developmental stages. I also have experience working as an auxiliary nurse at Royal Star Hospital, which has given me basic health and safety awareness and important asset in any childcare setting.

Though I do not hold formal childcare certifications at the moment, I am eager and willing to learn. I am confident that my genuine love for children, coupled with my practical experience and positive attitude, will allow me to adapt quickly and thrive within your organization.

Thank you for considering my application. I would welcome the opportunity to further discuss how I can contribute to your team and care for the children under your guidance.

Referee: Available on Request

Sincerely,
Ajibola Taiwo Tolani
