## Experience:

**Customer Success Representative (Remote)**

**2024 - 2025**

**Fichaya**

- Manage customer inquiries and service updates using Crisp for real-time chat and Zoho Sheet for order tracking, follow-ups, and reporting.
- Coordinate and execute daily updates across social media accounts, ensuring consistency and brand alignment.
- Respond to DMs and comments, offering timely support and information to potential and existing clients.
- Maintain communication with internal teams to resolve order issues and provide customer updates.
- Ensure that customer satisfaction and retention are prioritized through excellent support and proactive engagement.
- Delivered high-quality customer support through email, live chat, and phone in a fast-paced virtual environment.
- Participated in weekly team huddles to share feedback and improve support procedures.

**Customer Success Representative (Remote)****2022 - 2024****Ivana Luxora Ltd.**

- Proficiently utilized software including Microsoft Office Suite, Google Workspace, Sniper CRM, and Calendly to manage and follow up on customer's orders and other tasks.
- Responded to customer inquiries across WhatsApp, Facebook, and Instagram within an average of 5 minutes, ensuring timely and efficient communication.
- Resolved 100% of customer chats, achieving an average resolution time of under 10 minutes per conversation.
- Addressed customer concerns and issues outside core tasks, including returns, replacements, shipping inquiries, and product defects, ensuring high customer satisfaction and retention with a 95% resolution rate.
- Handled an average of 50+ customer chats daily, with a customer satisfaction rating of 4.8/5.
- Supported customers with order tracking, status updates, and delivery inquiries, ensuring a smooth post-purchase
- Proactively followed up on delayed or at-risk orders, reducing customer complaints related to order delivery by 20%.
- Consistently exceeded KPIs with an average response time of under 5 minutes and a 98% issue resolution rate per day.

**Customer Success Representative (Remote)****2021 – 2022****Prospa Financial Technologies.**

- Utilize office software such as Microsoft Office Suite, Google Workspace, Zendesk, Notion, Retool, Calendly, Zoho Workspace, and project management tools to create and maintain documents, spreadsheets, and presentations.
- I updated employers and necessary teams with information about technical issues, feedback, and useful discussions with customers resulting in a 20% increase in customer satisfaction.
- Delivered prompt and effective customer support via email and chat, leading to a 25% boost in customer satisfaction, while managing support tickets to ensure timely follow-up and resolution.
- As the primary point of contact for customers, I was responsible for responding to inquiries and resolving issues through multiple channels including phone calls, emails, social media, and live chats.
- I had access to a significant amount of customer data which I used to analyze their preferences, behaviors, and needs. This allowed me to customize my interactions and provide personalized solutions.
- Efficiently resolved customer issues by analyzing root causes, providing tailored solutions, and ensuring 50% accurate follow-up to prevent recurrence.
- While handling general issues, I troubleshoot customer problems related to financial transactions and account management. In cases where I was unable to resolve the issue on my own, I would escalate it to the appropriate department for further assistance.

**Customer Success Representative Intern (Remote)****2021 – 2022****Rive LTD.**

- Provided exceptional customer support through phone, email, and chat, consistently surpassing performance goals and achieving a 70% customer retention rate.
- Implemented an efficient organizational system resulting in a 30% reduction in customer errors and streamlined workflow.
- Welcomed visitors and clients into the office and ensured they were comfortable and attended to.
- Implemented a comprehensive digital document management system, enhancing data accessibility and reducing retrieval time by 30%, leading to improved overall efficiency.
- Demonstrated excellent written and verbal communication skills to convey information clearly and empathetically to customers.
- Simulated real-time responses to various customer scenarios across phone, email, and live chat.
