PROFILE

A recent Computer Engineering graduate with practical skills in HTML, CSS, and a solid understanding of computer systems and digital electronics. I am a fast learner with strong communication and customer relationship skills, gained through both academic and personal experiences. Through my studies, I gained practical knowledge in areas like circuit design, system maintenance, and digital electronics. I am looking for an entry-level role where I can grow my skills, contribute to a team, and build a successful career in the tech field..

WORK EXPERIENCE

St. Peter Mu/Wg International Academy, Yenagoa 2024 - 2025
Volunteer Teacher/ NYSC

- Taught core subjects to students using structured lesson plans tailored to their academic level.
- Supported individual student learning through one-on-one tutoring and academic mentoring.
- Assisted in classroom management and helped organize school activities to foster student engagement.

Gryn Index Initiative, Lagos State. 2022-2023
Admission Officer

- Served as the first point of contact for prospective students, providing accurate information about admission requirements and program details.
- Responded to inquiries through phone, email, and in-person visits, ensuring a friendly and professional experience.
- Maintained and updated student records, application statuses, and follow-up communications.
- Assisted with admission processing and ensured timely follow-up with students throughout the enrollment process.
- Supported outreach efforts and helped improve student engagement and satisfaction.

Assemblies of God Church, Abia State 2021-2022
Office Clerk

- Handled various administrative tasks to support daily office operations.
- Typed and prepared meeting minutes, memos, and official correspondence.
- Assisted the church secretary with documentation and file organization.
- Maintained an orderly filing system and ensured important documents were well-arranged and easily accessible.
