Bringing over 5 years of ministry experience and a proven ability to lead, teach, and equip, I offer a unique blend of prophetic insight, pastoral care, and spiritual leadership. I founded and currently lead a growing church where I minister through prophecy, deliverance, teaching, and evangelism. My work extends beyond the pulpit through a nonprofit focused on the welfare and empowerment of vulnerable children. I am passionate about building strong, Spirit-filled communities, discipline believers, and driving outreach initiatives that transform lives. With a heart for service and a commitment to kingdom growth, I am prepared to contribute faithfully, grow through training, and help advance the mission of any church or ministry I serve with.
