

EKELE DESIRE

Professional Nanny / Childcare Assistant

Location: Douala, Cameroon | Nationality: Nigerian
Email: desireekele50@gmail.com

PROFESSIONAL PROFILE

Caring and responsible individual with hands-on childcare experience gained through caring for family members and raising my own children. Experienced in providing attentive supervision, supporting children's daily routines and maintaining a safe and nurturing environment. Also experienced in supervising people and managing daily responsibilities through previous work as a Farm Manager. Patient, dependable and willing to undertake intensive professional childcare training, including First Aid and CPR, to develop my skills further.

CHILDCARE EXPERIENCE

Family Childcare Experience — Nigeria

- Provided regular care and supervision for my aunt's children, helping to ensure their safety, comfort and daily needs were attended to.
- Supported children's everyday routines and provided a caring, patient and attentive environment.
- Developed practical experience in communicating with children, supervising them and responding responsibly to their needs.

Mother / Primary Caregiver to My Children

- Personally cared for and raised my children, taking responsibility for their everyday wellbeing and routines.
- Provided consistent supervision, guidance, care and emotional support while managing the responsibilities of a busy household.
- Developed strong practical qualities in patience, responsibility, organisation, communication and children's safety.

PROFESSIONAL EXPERIENCE

Farm Manager — Njoku Farm Ltd, Imo State, Nigeria | 2014-2018

- Managed day-to-day farm operations and coordinated routine responsibilities.
- Supervised farm workers and organised daily tasks to ensure work was completed properly and on schedule.
- Monitored the feeding, cleanliness and general care of livestock.
- Maintained safe and organised working areas and paid close attention to daily procedures.
- Handled multiple responsibilities while demonstrating reliability, patience, supervision and problem-solving skills.
- Assisted with equipment maintenance and general farm organisation.
